Effect of delay in taking decision on Enron

1144. SHRI RUMANDLA RAMACHANDRAIAH:

SHRI P. PRABHAKAR REDDY:

Will the Minister of POWER be pleased to state:

(a) whether the delay in taking decision on Enron is causing great harm to the nation;

(b) if so, whether the Centre has decided to take tough stand on Enron;

(c) whether a meeting was called during the month of April, 2001 and all the differences that existed were finally settled;

(d) if so, the main features of the agreement reached;

(e) to what extent both the Centre, Maharashtra Government and Enron have agreed to implement the decisions taken by Government on this issue; and

(f) whether this settlement has been finally agreed?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) to (f) There have been certain disputes between the Maharashtra State Electricity Board (MSEB) and the Dabhol Power Company (DPC), who were the two signatories to the Power Purchase Agreement (PPA) for the power project being promoted by Erron and their partners. The Government of Maharashtra has constituted a Negotiating Committee under the Chairmanship of Dr. Madhav Godbole, ex-Home Secretary to the Government of India, to renegotiate the project with DPC. Conciliation proceedings between the Government of India (Gol)
